About This Game

You must deceive your enemy and be ahead. Your magic and potions will help you with that. You can buy potions in shops with golden coins gained from exchanging wood, stones and meat. Friendly towers will help you in battle. Enemy also has own towers that you must evade. Goal of the game is to collect the randomly spawned crystal. Don't let your enemy to grab it first. For this crystal you can upgrade your power, health or mana. Also you have 4 helpers that will bring your resources. You can control them too.

1 vs 1 global operations

I can't believe i wasted 41 minutes of my life playing this terrible game. Do not recommend, do not buy this game. \$1.79 is \$1.79 too much to pay for it. 0/10. Unplayable. Not worth the money
